

# BOUNDLESS PROJECT SUPPORT TOOLS

Boundless' partnership with Syngenta as a Preferred Vendor grants access to helpful project support tools available to all buyers completely free of charge

- ▶ Custom Forms: Collect information from a group (ex: gather shirt sizes for a trade show, obtain feedback on a product, incorporate a social media campaign to redeem Syngenta branded items, etc.).
- ▶ Pop-Up Stores: Launch micro e-commerce stores for branded merchandise that are open for a predetermined span of time.
- ▶ GroupBuys: Connect buyers within Syngenta who purchase similar products by aggregating orders automatically to show the biggest savings across your organization.
- ▶ Custom Emails: Increase attention to your email communication with custom email designs that tie into your merchandising campaigns.
- ▶ Static Website Development: Utilize a static website as a landing page for users to easily access key information and links to other web pages.
- ▶ Graphic Design: Elevate projects with attention to design. On-staff graphic artists can help with everything from artwork conversion to designing marketing assets.
